Junior — Senior! A Holland Motif enhances this 1970 Social Highlight.

Mike Evans spending a part of his senior year among the scholars who live in the books of the library.

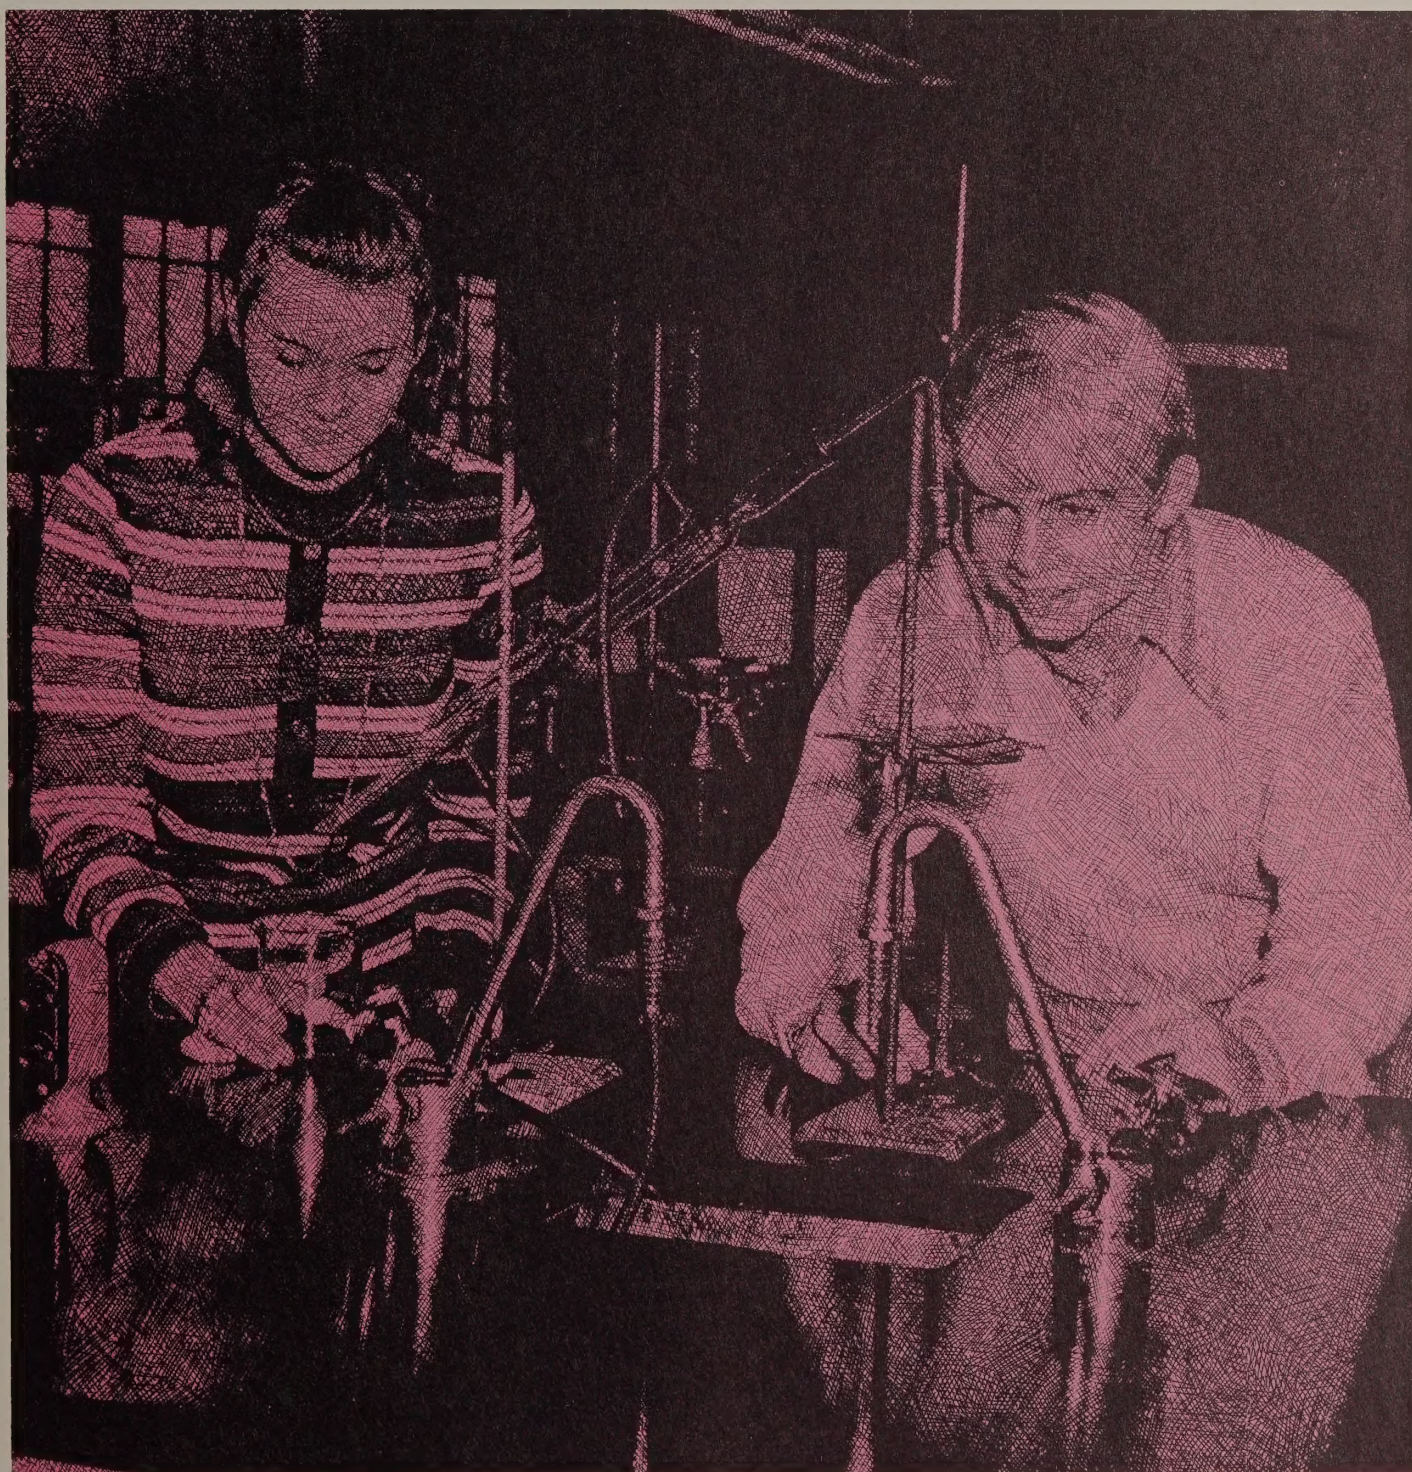

Understanding Through Involvement

Wrapped in his own small world, youth is involved . . . Engulfed in private thoughts, concerns, ambitions, and fears, he dares to dream of a better world . . . Clinging to the hope that maybe his generation can change things.

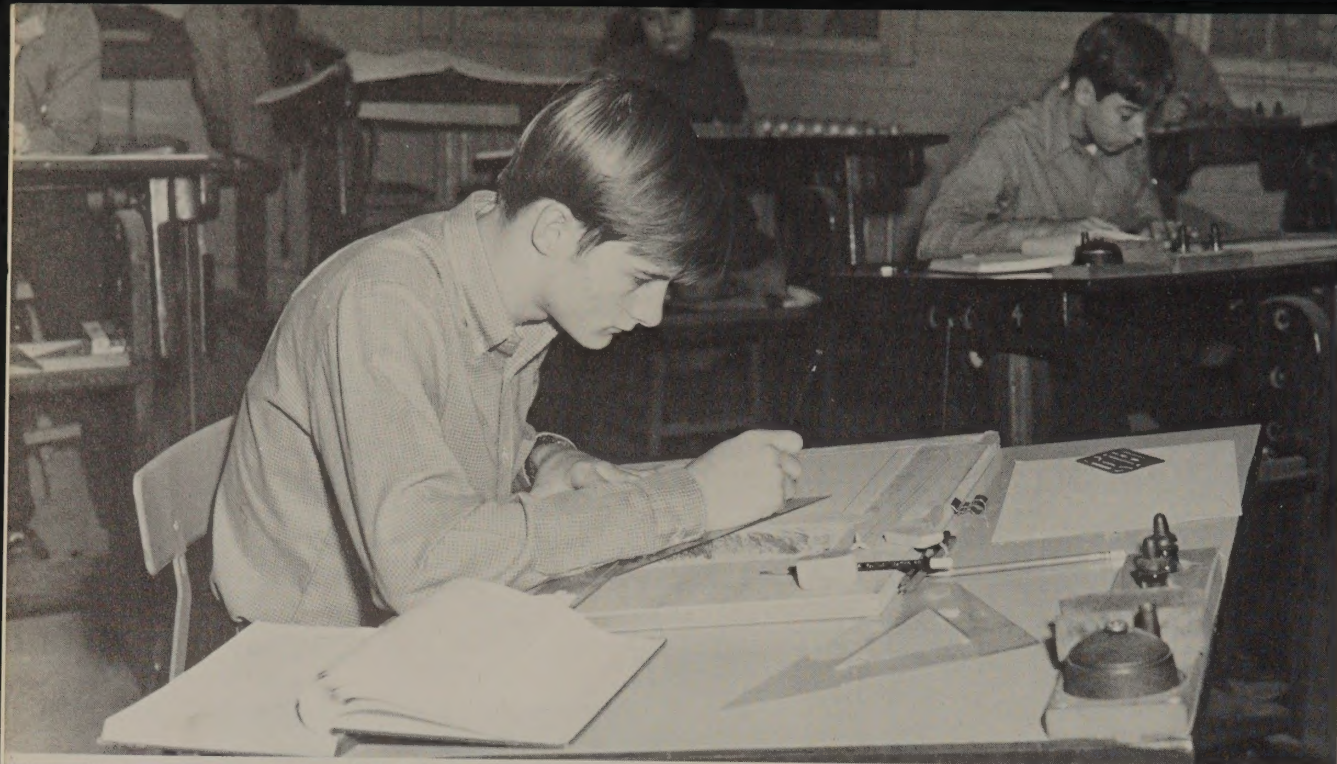

Involvement in school meant stepping into a new kind of life . . . one where contributions of time and energies overpowered selfish interests . . . In search for answers, even the uninvolved were compelled to become involved . . . In the challenge to retain more knowledge,

we probed into the depths of English, social studies, science, and math courses . . . And we discovered what was within ourselves.

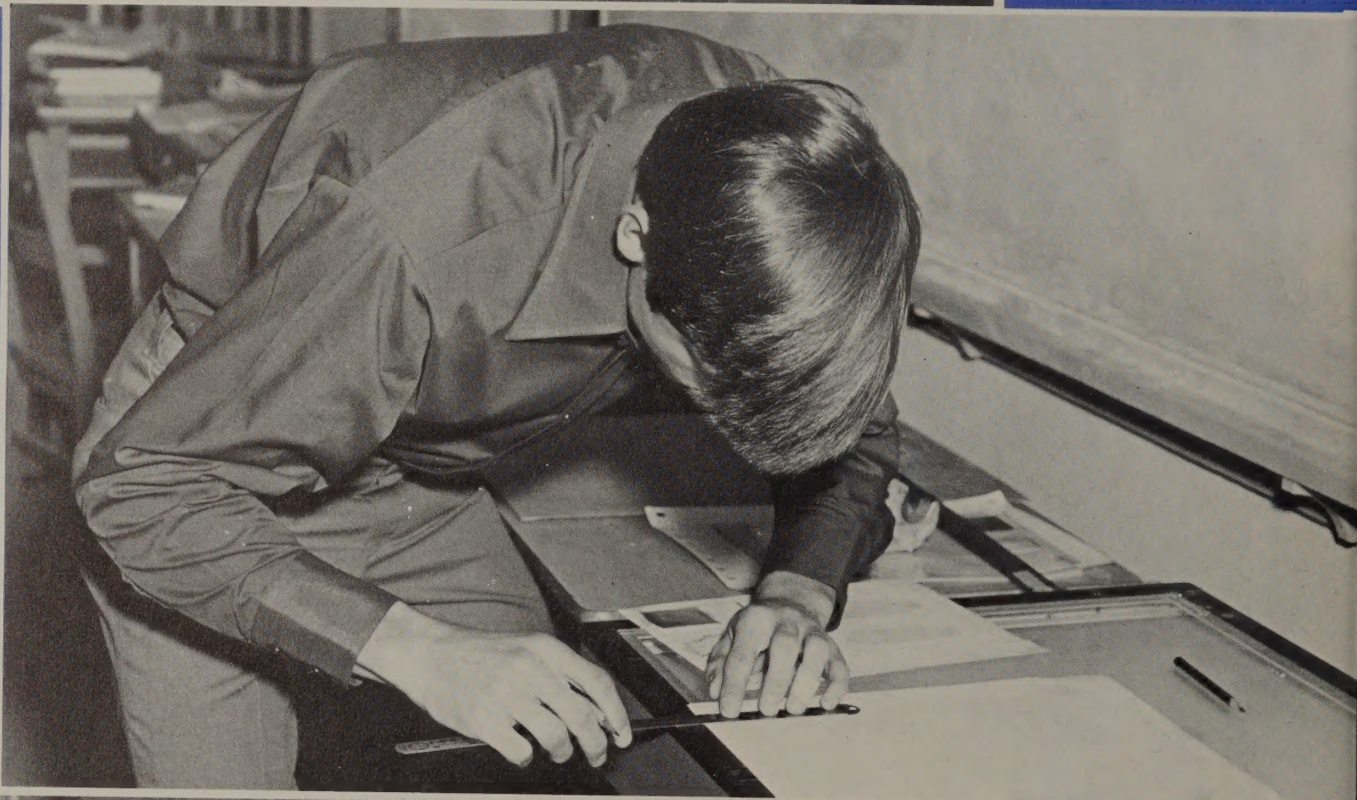

Involvement . . . whether an active participant or a grandstand enthusiast, sports demanded emotional commitment. Clubs and organizations brought us together and gave us new perspective on living and sharing with each other. RRHS today was where youth learned to cherish tomorrow.

Biology is the traditional source of boy-girl interest, but this scene seems to indicate that chemistry also has a mutual attraction for Anne Cole and Charles Laughon.

Drafting students labor with triangles and T-squares in Mr. James Howard's Technical Drafting Class.

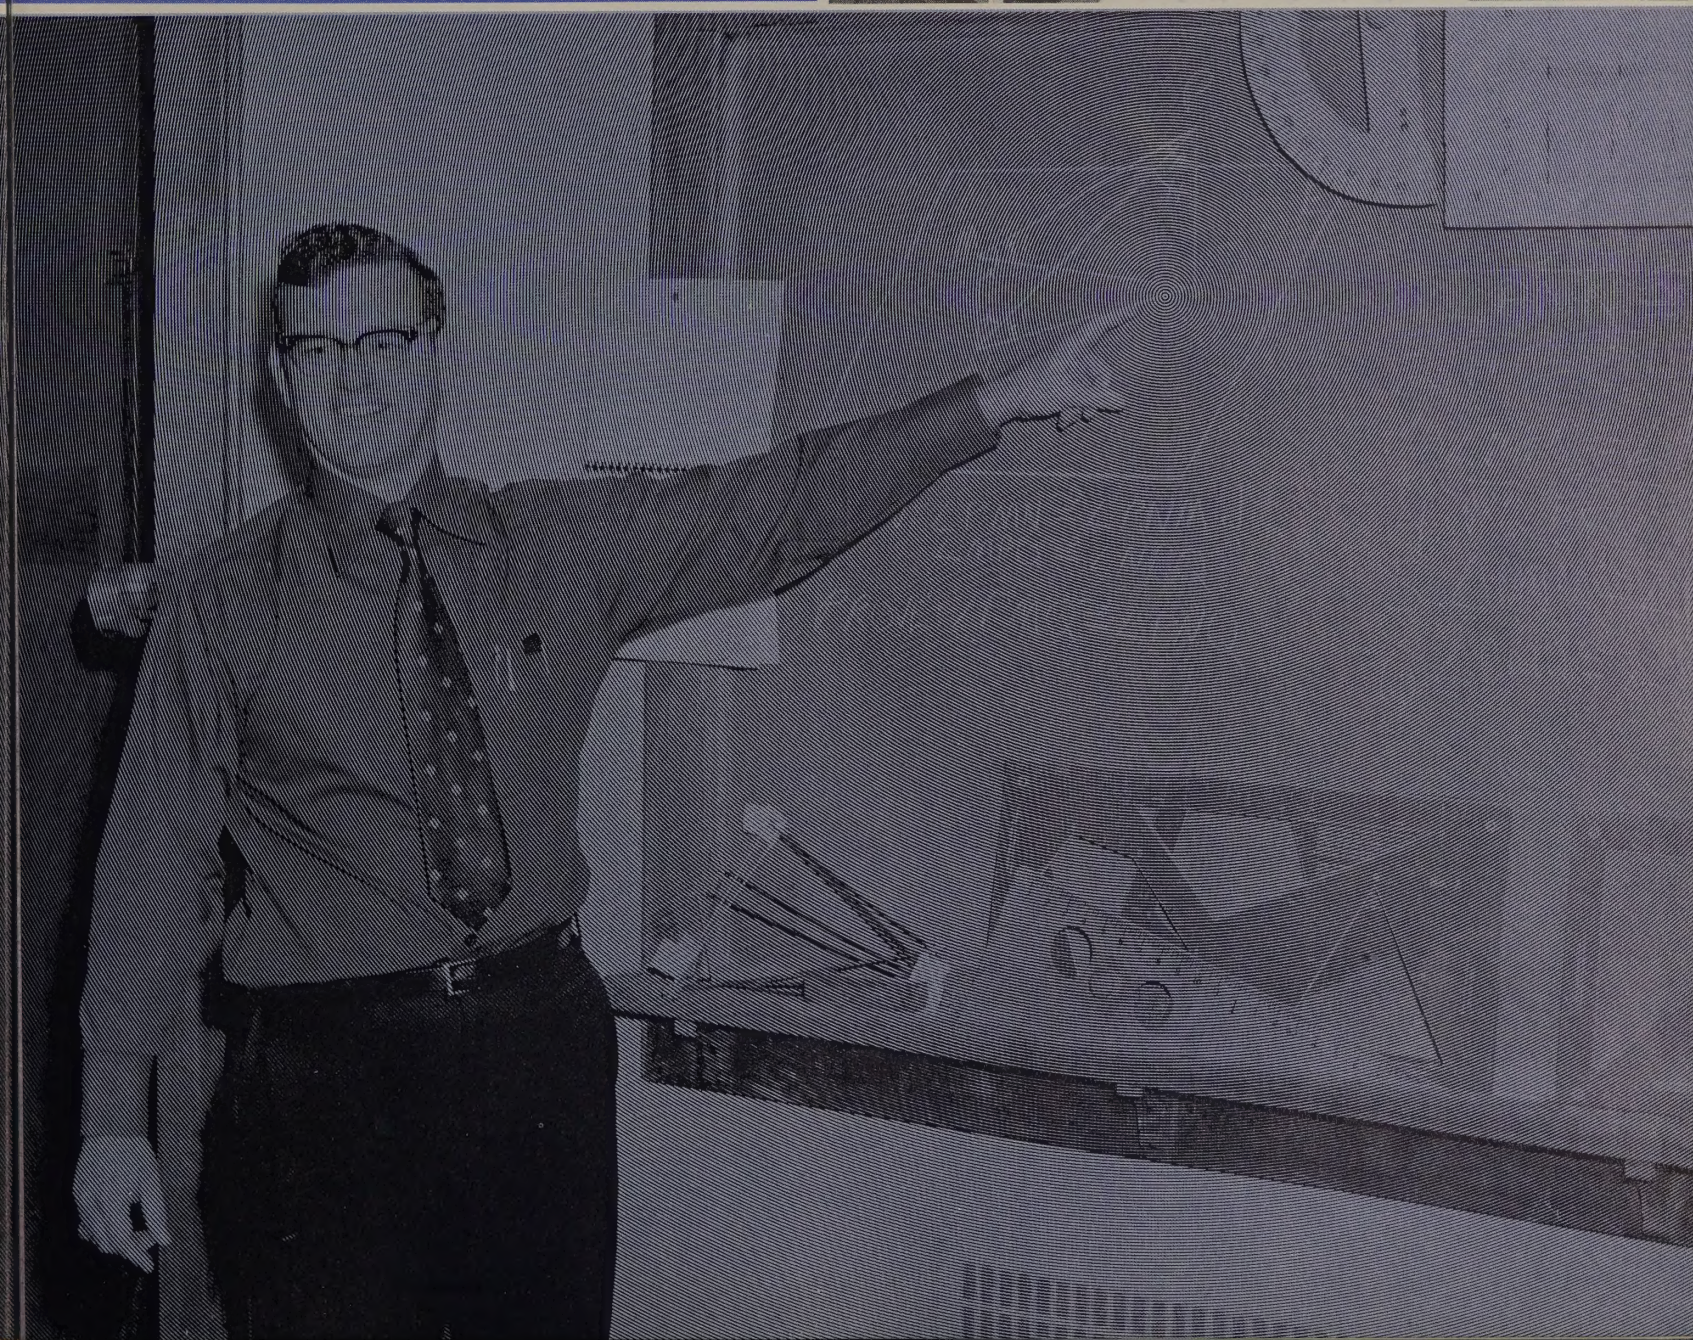

"Hold that line!" is a cry that has meaning elsewhere than on the football field.

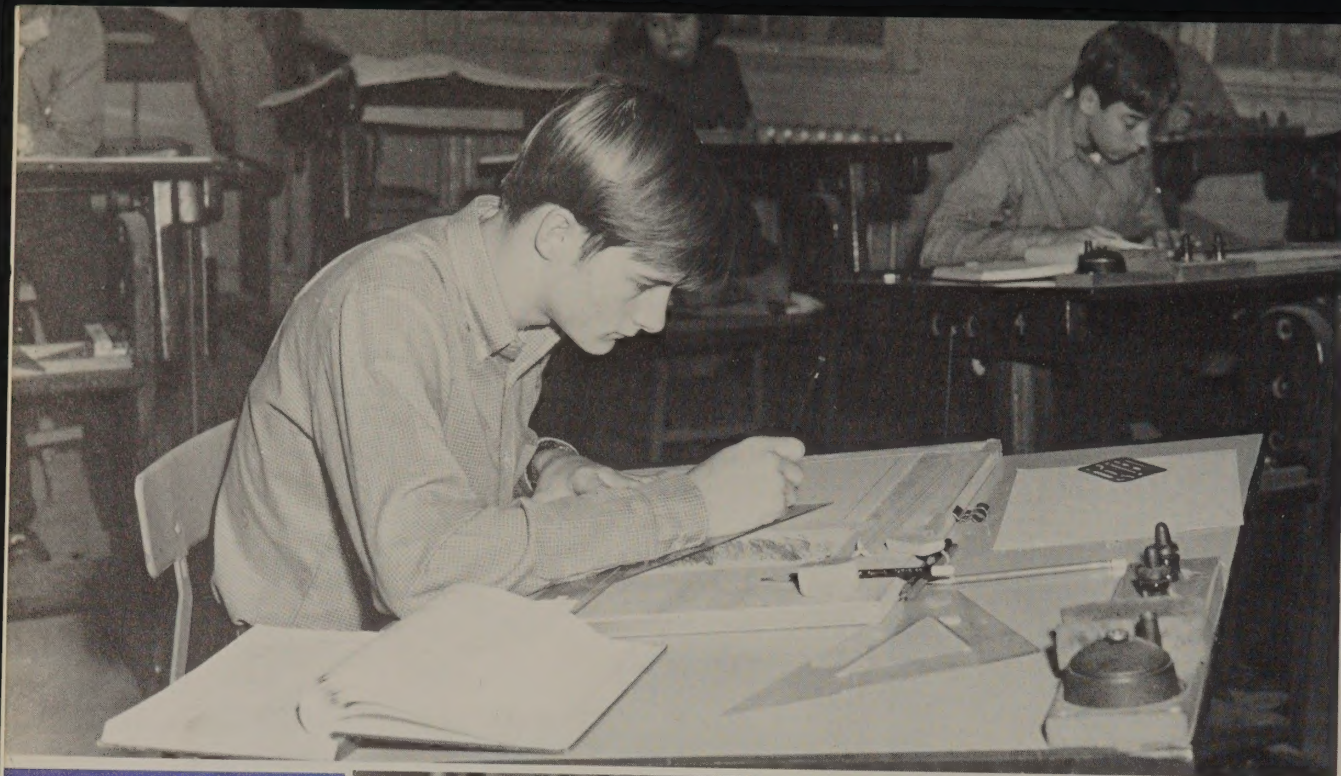

Mr. E. G. Croom points out the intricacies of a small engine to students whose futures may well be dominated by things mechanical.

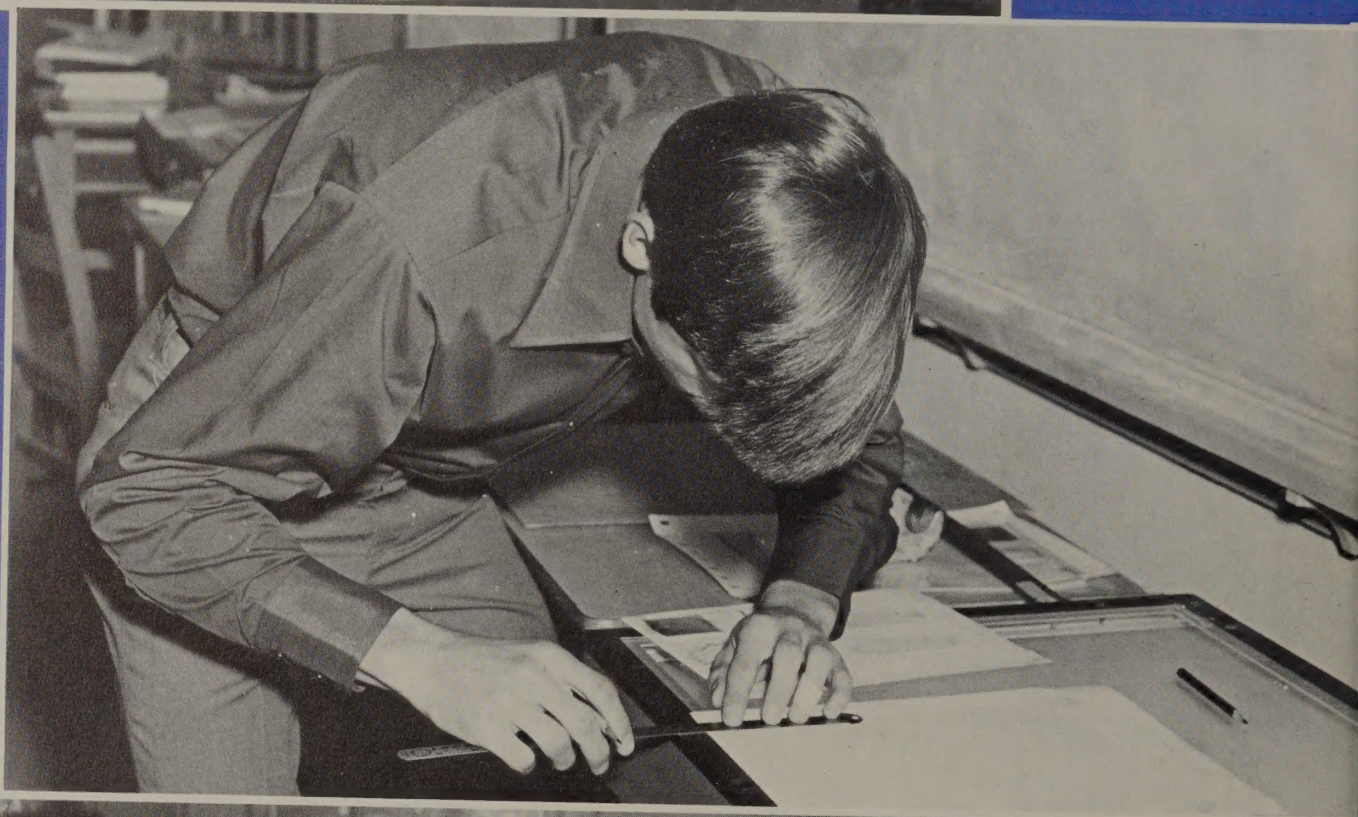

Dedication

Through friendliness and understanding, this teacher has become well-known and admired by all students. His patience and guidance has been beneficial and an inspiration to many. His treatment of every student as an individual and his unbounding sense of humor reveal his great personality. His kindness and willingness to give of his time to us cannot be measured. His smiles and happy greetings to everyone has made each school day brighter and all of us a little warmer inside. With heartfelt gratitude, great affection, and the return of just a little of his warmth, we dedicate the 1971 Ro-Rap to Mr. John Edwin Bass.

Conference win over Roanoke Rapids here Friday. Roanoke Rapids, 4-4 in conference play, will travel to West Carteret next week. Elsewhere around the conference, Northeastern blanked Havelock 27-0 and Washington topped West Carteret 24-0. Fans starting to pour into the stands at Hoyle Field long before the game got underway and by game time, there were few seats to be had. Tarboro had a large delegation to fill the visitors bleachers. Talk was echoing around the gridiron about some of the past meetings of these two fine

squad, and everyone was looking for another thriller. The first quarter had the Jackets chewing crowd on its feet and gave every indication of being another of the close battles. Tarboro hit pay dirt first with a 58-yard march in the opening period. Both defenses were hitting like Sherman tanks and among the scorers resulted in a Jacket fumble. Tarboro recovered the loose ball on the Roanoke Rapids 41. In a total of four plays to build up the score, Lilley could not wait his team moving against the fired up Jackets

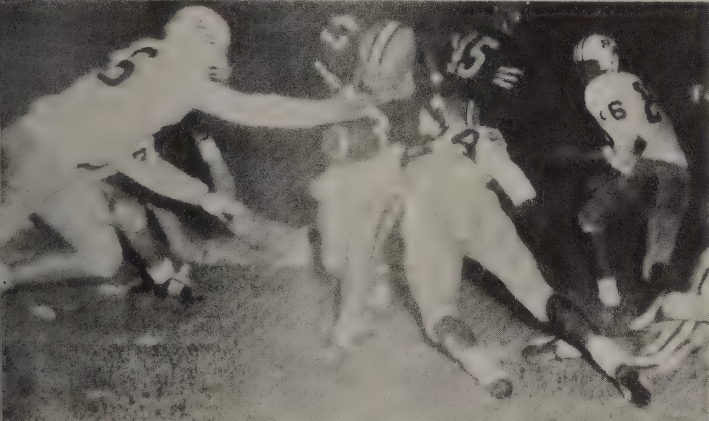

defense and went to the air. A pass to Lester Johnson covered the final 25 yards to the end zone. Carnell Boyd kicked the extra point. It took the Jackets just one-and-a-half minutes to get the points back and go ahead 8-7. Arthur Ray Hawkins broke up the middle and raced to the sidelines and out ran the Tarboro team 57 yards to the end zone. Hawkins got the call again on the conversion and put the Jackets out in front 8-7 at the end of the first period. Tarboro scored twice in the second period, with Lilley's passing accounting for one

tally and setting up another. He passed 25 yards to Tommy Lee to put the Vikings deep in Jacket territory and Ronnie Crisp plunged in from the end. Moments later a Jacket fumble was recovered on the 24 and Lilley connected with Hew on a 24 scoring loss. The horn sounded to end the half and Tarboro was out in front 19-8. Defense took over again in the third period and even though the visitors were able to pick up a lot of yardage, they could not penetrate the Jacket deep in their territory. The longest drive of the night for the winners, 91 yards, came early in the fourth period and

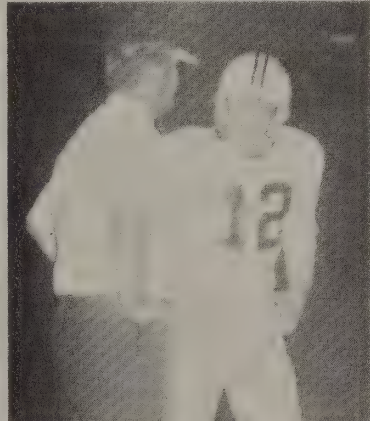

gave them another score. Ray Robinson, the smallest man in the Tarboro backfield, ate up most of the yardage, but Lester Johnson got the TD from five yards out. Roanoke Rapids had played the No. 1 ranked 3A team in the Eastern part of the State a good game in the first half, but the defense could not hold the multiple offense in the second half. While the Jackets were being held to just 36 yards in the final two periods, Tarboro was steadily moving the ball down field. A final score came in the last minute on a 75 yard drive that took 14 plays. Lilley hit

Dew in the right edge of the end zone, covering 33 yards for the touchdown. Roanoke Rapids accomplished one thing in defeat: It scored the only points chalked up against the Vikings in six games this season. The Jackets had a total of 140 yards offense while five previous opponents had only a net of 205 on the rugged defense. Ricky Fondren, John Boone and Eddie Harper were the big

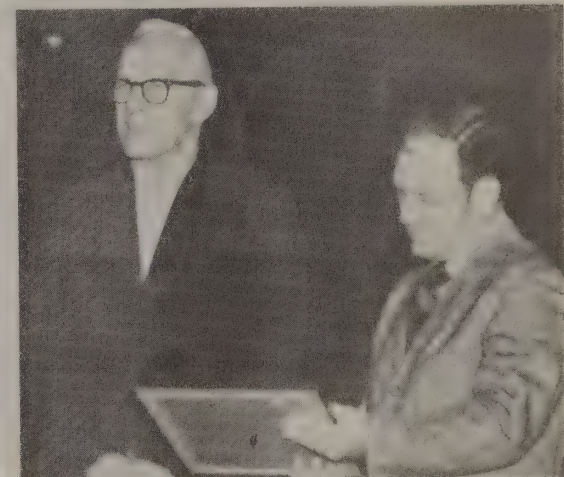

almost every play. Others playing outstanding on defense were Orlando Moody, Steve Strickland, Kenny Dickerson, Danny Harrison and Tim Hux. Hawkins led the offense with 75 yards in 13 carries. Dickerson picked up 47 in 11 attempts. Hux totaled 19 in 8 tries, and Cooke had four on three trips.

NSE — Roanoke Rapids was able to hold the strong running game for most of the game here Friday. Arthur Hawkins (24) and John Boone (66) show some fine defensive play. Hawkins was also the offensive

TALK OVER — Roanoke Rapids Coach Woody Wilson talks over a little strategy with his quarterback John Cooke in the first quarter of the game here Friday night. The talk paid off. The first play following the chat was a 57-yard run by Arthur Ray Hawkins for the only Jacket touchdown.

Hawkins Scores Three TD's In Victory

DSOR — The Roanoke Rapids Yellow Jackets closed another successful season, defeating Elizabeth City High Friday.

With the victory, the Jackets finished with an 8-2 record, their second best in the past 12 years. Arthur Ray Hawkins, having

his best night in three years, closed out his high school playing days with three touchdowns and 252 yards gained in 19 tries.

The fifty senior halfback was in a scoring race with Washington's William Gifford and trailed in the race by 16 points going into the Bertie game. Washington defeated Bertie 27-0, but it was not known how many points Gifford had.

Nothing can be said about Hawkins that has not been said before, but it would be well to note that in the past three or four seasons he has really come on in the scoring race. Roanoke Rapids needed a victory here to take undisputed possession of second place in the final standings. Washington closed with a record of 5-2 to the Jackets 5-1.

The defense, which has been outstanding all year, picked up the first score of the game. Roanoke Rapids' Greg Taylor punted to the Bertie one yard line and Allen Harris and Orlando Moody hit the ball

Bertie bounced back to close the gap with a spectacular 99 yard kickoff return by John Rizzor, who cut through the Jacket defense like a super-stainless blade. Both teams moved the ball in the second period, but neither could get into the end zone. Bertie got to the Jacket three yard line just before the half ended and tried a field goal on fourth down, but it was wide and the teams went to the dressing rooms with Roanoke

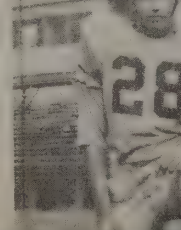

pass and returned it to the 25 yard line. The Washington players, a drive of 50 yards, overcame the Jackets' defense. Hawkins had 11 yards on the drive. Roanoke Rapids 58

The Jackets opened their 1970-71 basketball season with a thrilling 58-54 overtime victory over the visiting Northern Nash team. The home five took a two point lead into the locker room at halftime, but were outscored 16 to 8 in the third quarter to fall behind by six points. The Knights held their lead until Arthur Hawkins put the Jackets in front by a point with less than a minute remaining in the game. Charles Thorton is ready to take off for one of his record-breaking jumps.

Mike Evans readies himself to serve his team and school.

Track

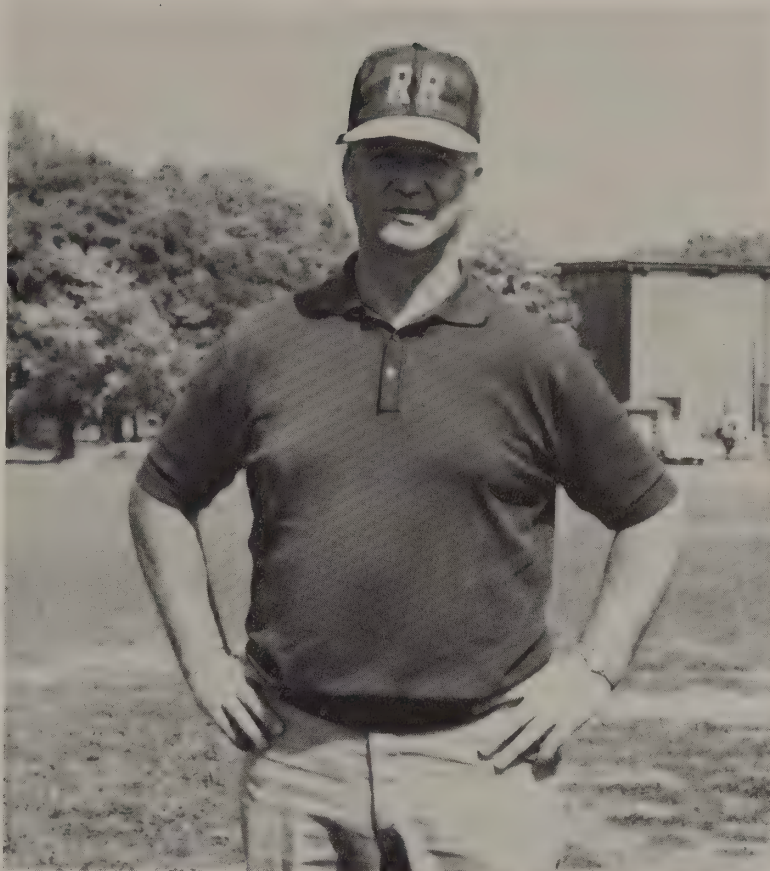

With participation in six meets, the 1970 RRHS Yellow Jackets Cindermen captured 8 first places, while nailing 2 second, 3 third, 1 fourth, and 1 fifth places in various events.

Broad-jumping ace Charles Thornton and fleet-footed Arthur Ray Hawkins led the RRHS Cindermen, capturing fourteen places between them. Thornton placed eight times, with five being first-place honors. Out of six times placing, Hawkins placed four times in the 100 yard dash.

Both Thornton and Hawkins competed at the Regional, Sectional, and State events, with Thornton taking a first, second, and third in broad jumping events, while Hawkins took fourth and fifth in the 100 yard dash. Leaping past a 22'6" broad jump record, Thornton set a new regional record of 22'7".

Charles Laughlon, and Billy Netherland, teamed with Hawkins and Thornton, captured a first-place in the 880 relay. Rounding out the first place scoring for the RRHS Tracksters during the season, Dennis Philips vaulted 11'10" to capture a first-place in the pole vault competition.

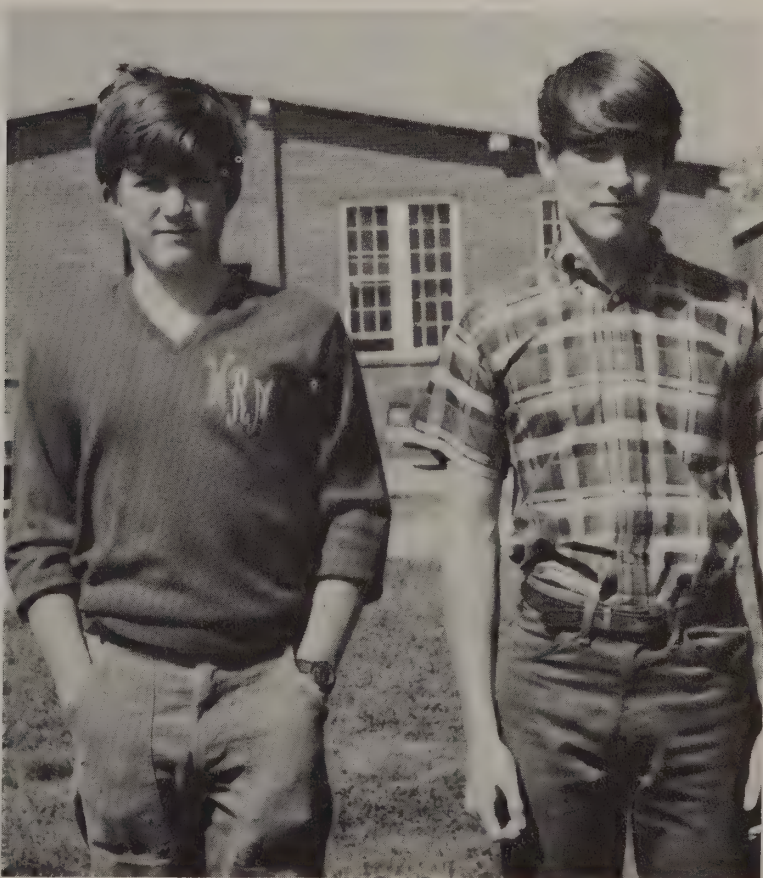

Although recording no first-place finishes among other schools, the Yellow Jacket Cindermen finished third in two meets composed of four schools.

Coach H. C. Wilson

Mike Jordan has been one of the stalwarts of the 1970 and '71 track teams.

Managers: R. W. Myrick, R. B. Braswell.

Acknowledgments

Our yearbook is an expression of many things. It is the events of the year, as well as the sentiments of many students. Most of all, it conveys the meaning of an unforgettable year to all who are a part of it. The Ro-Rap Staff has tried to combine the times shared by all—those times when laughter or tears were inevitable, those times when study often unsuccessfully ended hours of play into a book which will mean something different to each individual.

Much appreciation is given to all who have tried to make this annual what you—the students—would like it to be. The staff especially wishes to thank our advisor, Miss Belche, for her many hours of planning and hard work, beyond the call of duty; Roscoe Turner, our photographer, for his time; the various administrative offices for the use of their telephones; Mr. Payne for granting us the permission to solicit ads as well as make the pictures; Mr. Denny for corrections and advice for the sports sections; Miss Crane for her patience and understanding; Mr. Branch for allowing us the privilege of the yearbook; Max Ward for his professional guidance; and last but not least, Delmar Studios for the printing of the annual.

The staff sincerely hopes that this yearbook will mean something special to each and every student. But for each senior we hope the annual will provide many fond memories of one of the most unforgettable years you will ever experience—1971.

I really don't know what to say. I've had a hell of a time with you in homeroom. You crazy as they come. I've enjoyed watching you shake all over before your golf matches. That's life.

Trip, I'm so glad I got to know you this year. You're really a fine person (golfer). Anyone with a personality, a golf-game and wisecracks as good as yours is sure to be a ^{BIG} success. Just keep playing golf (as if I need to tell you to), keep being good (choke), and keep kidding aside I think we've had some really great times, such as playing golf: Jr.-Sr. I'll never forget all the fun we had. R.R. was really lucky you moved so good in Math. You're had so much practice adding up your low golf scores. Make sure you don't forget about me this summer while you're lifeguarding at the C.C. pool. I still want to play golf again.

Love,
 Sandra *Jordan*

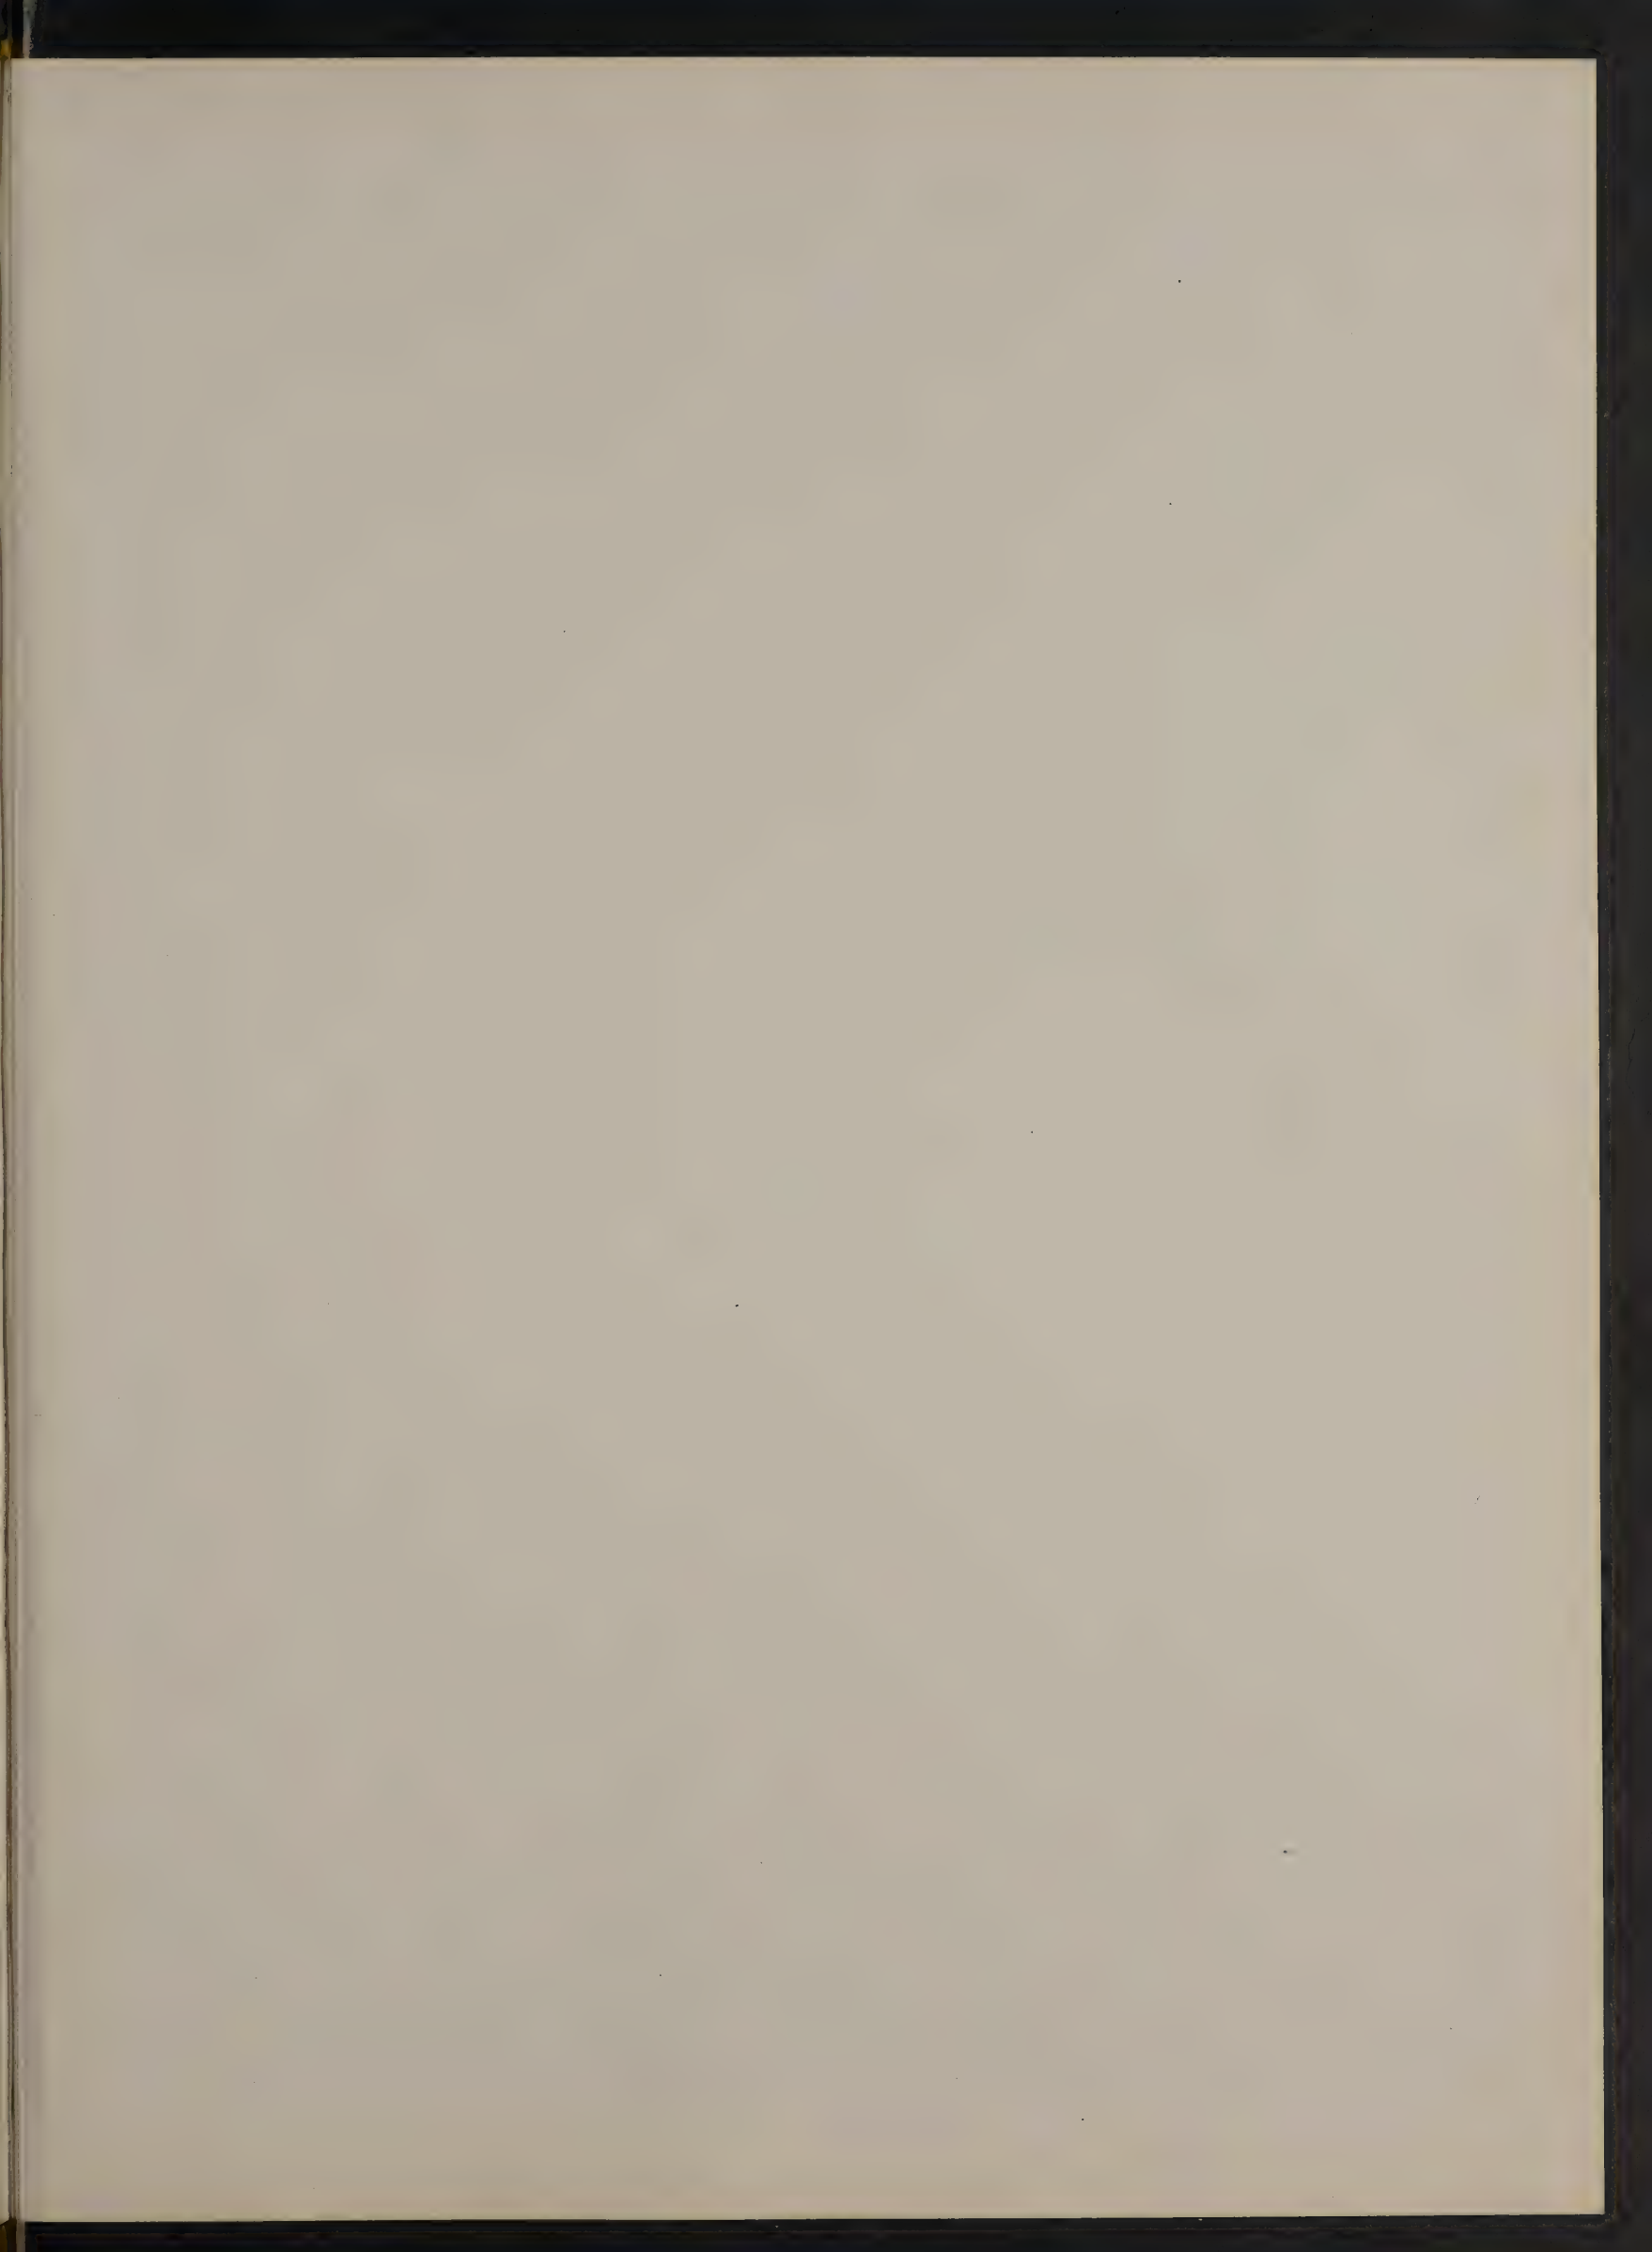

Trip, Well it won't be long before you will be moving over to my end of town. Maybe well be able to do a little trail work.

See you!
 Henry

Well Robin.

-Thipp,

It's times like these that I really appreciate your friendship. You're always understanding. You make me realize how foolish I am to worry all the time. Often you remind me of myself the way you cut yourself down. That's the only hang-up you have, and I wish you would overcome it. You're a great person Thipp and you're sensitive, so don't worry about showing your emotions. I really enjoy talking to you, you except the fact of my ignorance and don't make me feel inferior. I know I've treated you right bitchy on some days and I'm sorry, I never meant it, they're just my bad days. You've helped me through this year whether you realize it or not, just by smiling & putting up with me. I hope that we'll always be friends. Have fun this summer and don't let the world get you down. You're intelligent and lucky so use it in the best of your ability. Save some spirit for next year so we can raise "H" as dignified SENIORS.

P.S. You can so

dance, and don't tell.

me you can't! You hear?
